

IATI Publisher

User Manual v1.0

Welcome to the user manual (v1.0) of IATI Publisher. IATI Publisher is a free tool for organisations to publish their Aid data utilising the IATI data standard. This document contains guidance for users on using different features of IATI Publisher in order to manage and publish the data of the organisation and its activities. If you are a beginner, please follow the guide from the top so that you can understand the flow of managing and publishing the data. Otherwise use the 'Table of contents' to go to a specific instruction.

Note: Do check for the latest version of the user manual in <https://publisher.iatistandard.org>.

7. Select Humanitarian

The screenshot shows a configuration interface for selecting humanitarian levels. On the left, there is a vertical grey sidebar. The main area has a light blue header bar at the top. Below it is a white configuration panel.

Default Hierarchy: A text input field containing the value "1". To its right is a help icon (a question mark in a circle) and the text "Budget Not Provided".

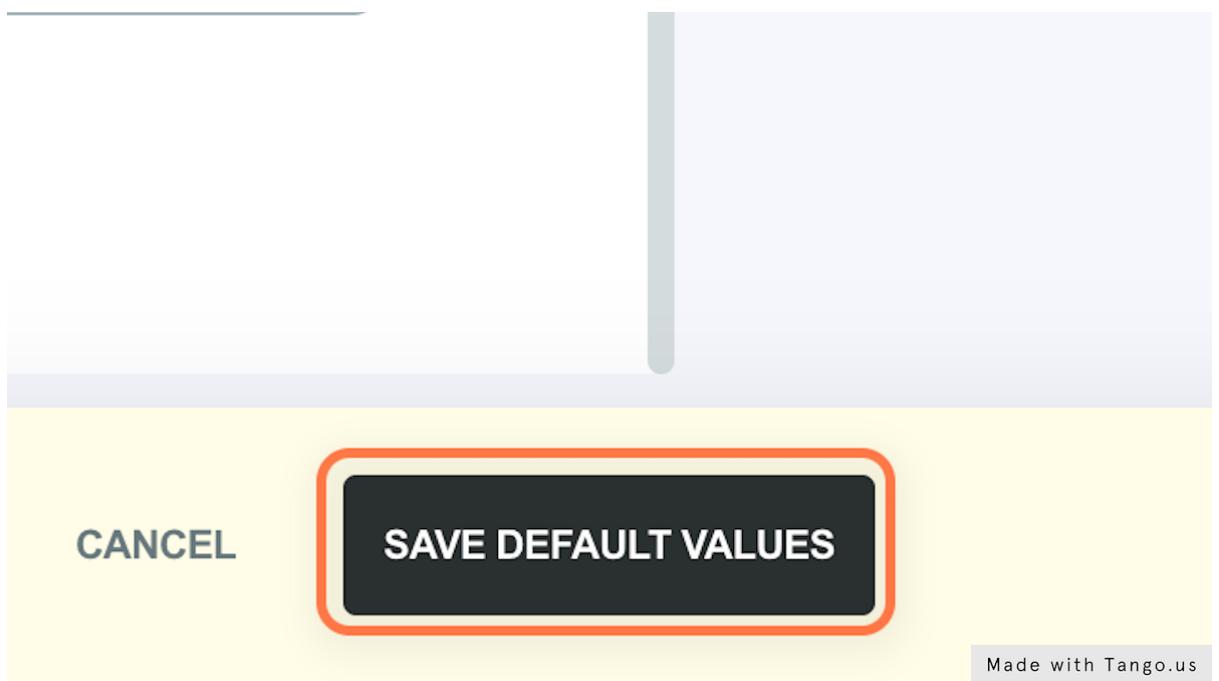

Budget Not Provided: A text input field containing the placeholder "Select budget not provided type". To its right is a help icon (a question mark in a circle).

Humanitarian: A dropdown menu with the placeholder "Select Humanitarian here". This field is highlighted with a red border. Below the dropdown are two options: "No" and "Yes".

Instructions: A note below the hierarchy input states: "If hierarchy is not reported then 1 is assumed. If multiple levels are reported then, to avoid double counting, financial transactions should only be reported at the lowest hierarchical level."

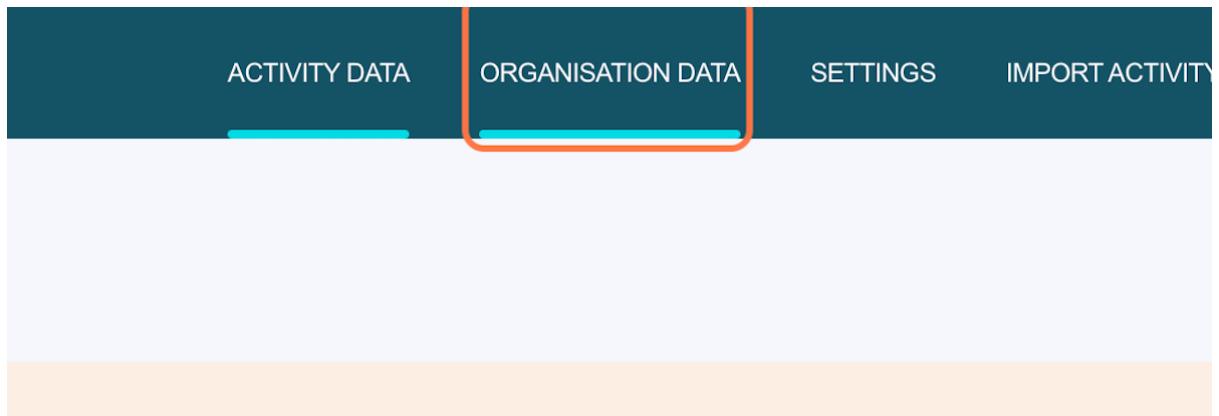

Made with Tango.us: A small text label in the bottom right corner of the configuration panel.

8. Click on 'SAVE DEFAULT VALUES' button

How to add Organisation data?

1. Click on ORGANISATION DATA

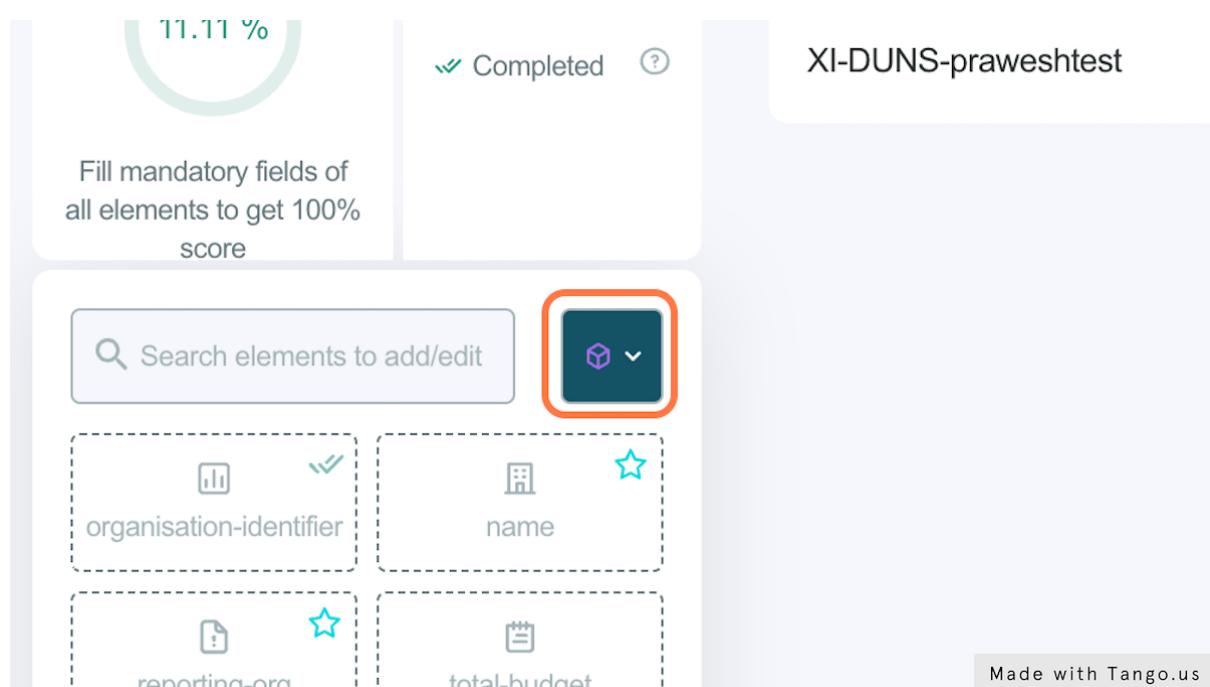

2. Search elements

In the search box, type the element name and the menu will filter the elements by typed name.

A screenshot of the software's search interface. At the top, there is a circular progress bar with the text '11.11 %' and two status indicators: 'Mandatory' with a star icon and 'Completed' with a checkmark icon. Below the progress bar, a message says 'Fill mandatory fields of all elements to get 100% score'. In the center, there is a search bar with a magnifying glass icon containing the text 'total-budget'. To the right of the search bar is a dropdown arrow icon. A dropdown menu is open, showing a single item: 'total-budget' with a document icon. In the bottom right corner of the screen, there is a small text 'Made with Tango.us'.

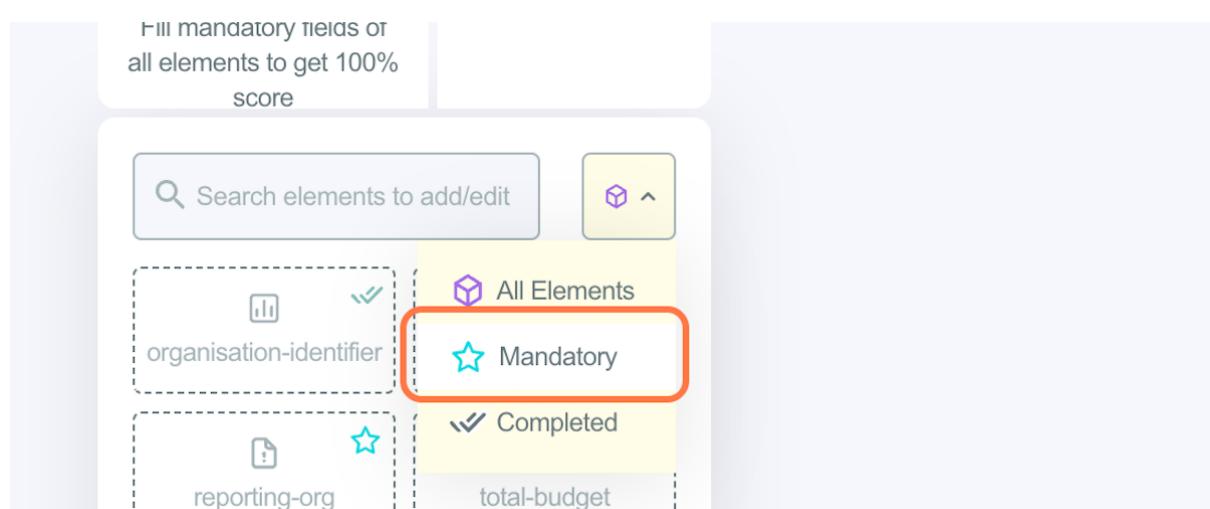

3. Filter the elements

Click the filter icon beside search box

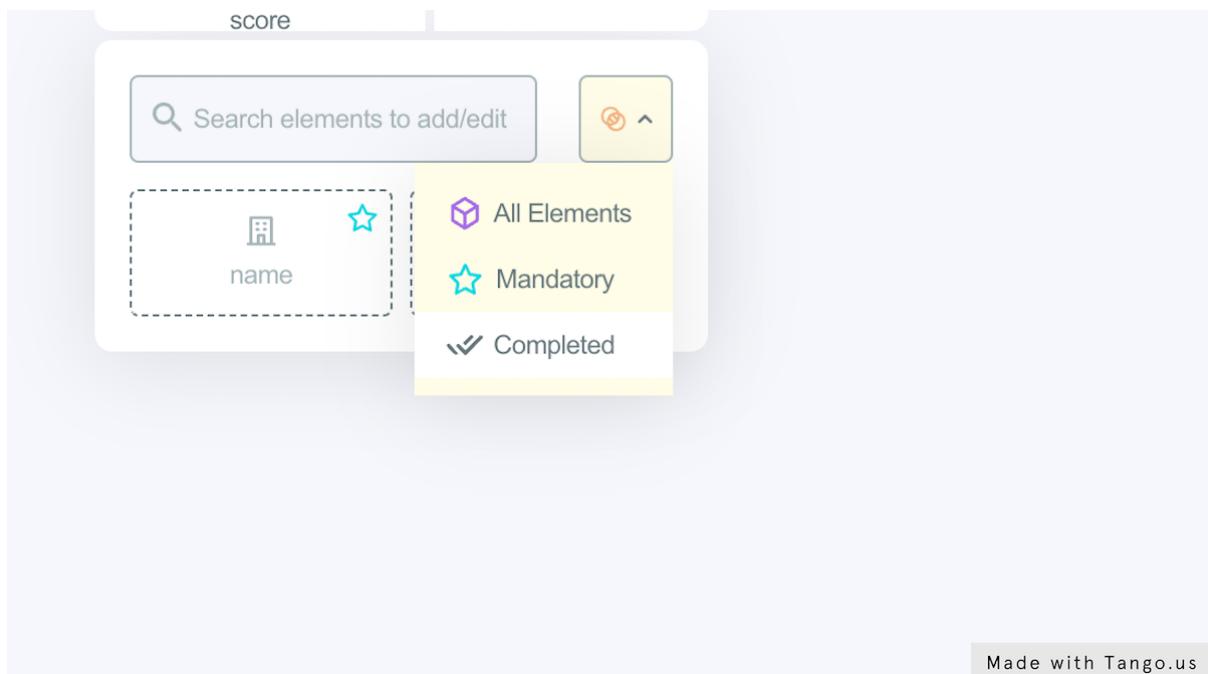

4. Click on Mandatory

Filter the elements by mandatory elements only

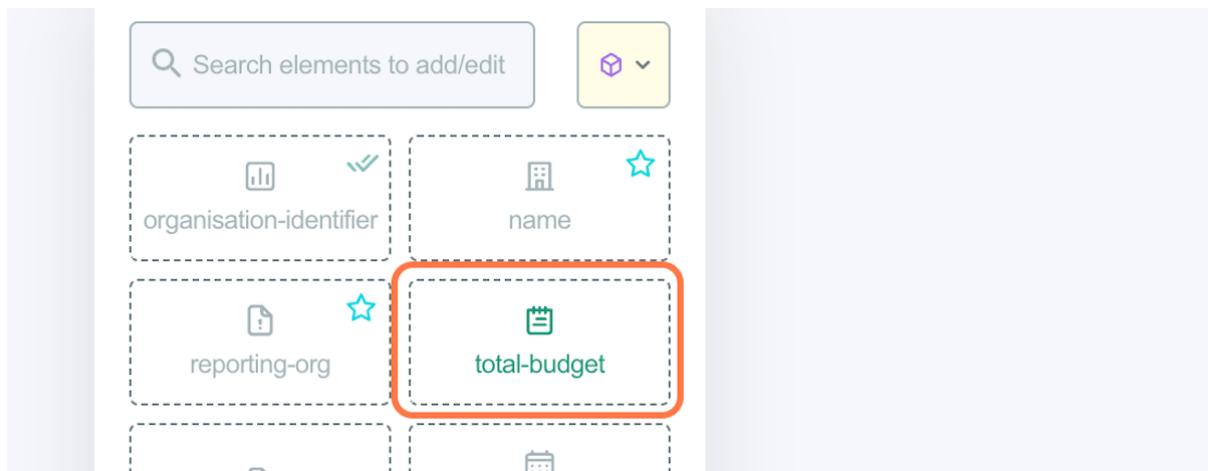

5. Click on Completed

Filter the elements which are completed

6. Click on one of the elements

Click on the element in the menu to add data if no data is added or scroll the detail page to the element's summary section.

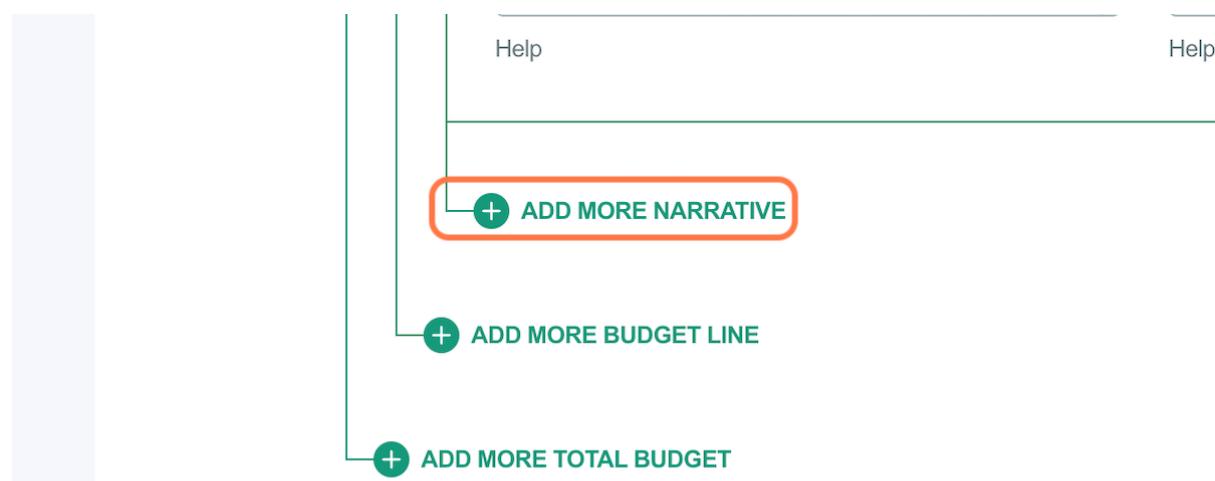

7. Fill the data

The screenshot shows a form titled "total-budget". At the top left is a back arrow icon and a question mark icon. The title "total-budget" is followed by a "Help" link and a question mark icon. Below the title is a "status" field with a dropdown menu open. The dropdown menu contains two options: "1 - Indicative" and "2 - Committed". The "1 - Indicative" option is highlighted with a red border. To the right of the status field is a "date *" field with a date input and a calendar icon. At the bottom right of the form is a "Made with Tangelo.us" watermark.

8. Click on ADD MORE NARRATIVE

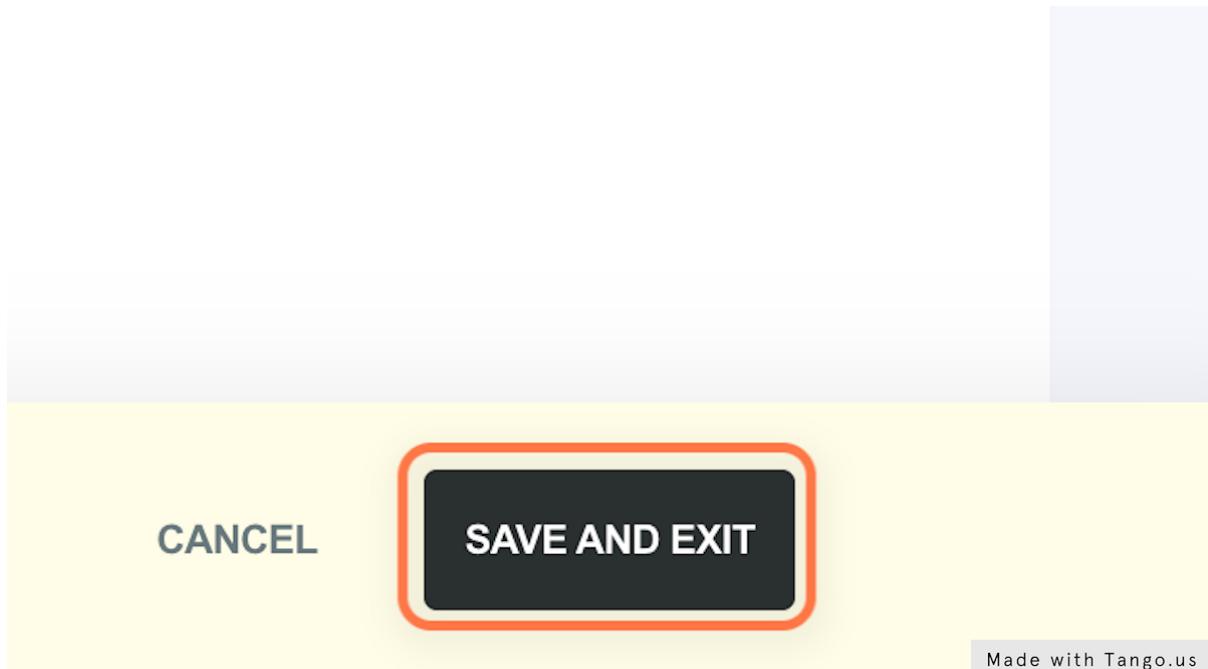

9. Click on ADD MORE

Click 'Add More' if you have multiple data for the same data fields.

10. Click on SAVE AND EXIT

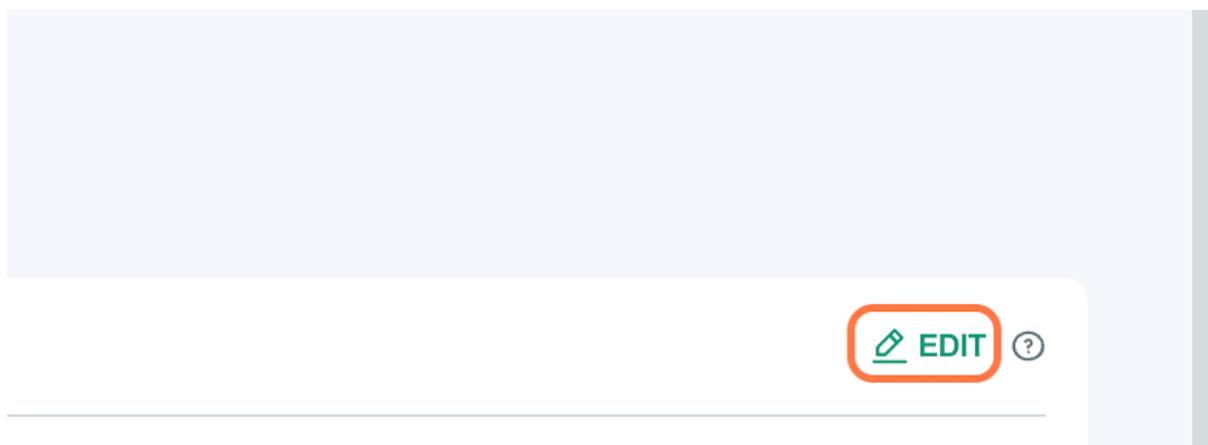

Click on the SAVE AND EXIT button to save the element form and go to the detail page of the organisation data.

How to edit Organisation data?

1. Click on EDIT

In the detail page of organisation data, click EDIT of the element in which you want to make change.

5. Detail page of a transaction.

Use the side menu to view the sub-elements of the transaction

The screenshot shows the 'ref-12312 - Transaction detail' page. On the left, a sidebar lists transaction sub-elements: Note, Core Elements, Mandatory sub-elements, Recommended sub-elements, reference, humanitarian, transaction-type, transaction-date, value, description, provider_organization, receiver_organization, disbursement_channel, sector, recipient_country (which is checked), and recipient_region. The 'reference' field contains 'ref-12312'. The 'transaction-type' field is 'Incoming Funds'. The 'value' field shows '1,000,000 USD' with a note 'valued at November 04, 2022'. The 'description' field notes '(Language: English)' and 'Fund from the ABC organisation'. The 'provider-organization' field shows 'Organisation Identifier Code ref-980' and 'Name: Finelink'. A watermark 'Made with Tango.us' is visible in the bottom right.

6. Click on back arrow to view the transaction list

This screenshot is identical to the one above, showing the 'ref-12312 - Transaction detail' page. The 'recipient_country' sub-element is checked in the sidebar. The 'reference' field contains 'ref-12312'. The 'transaction-type' field is 'Incoming Funds'. The 'value' field shows '1,000,000 USD' with a note 'valued at November 04, 2022'. The 'description' field notes '(Language: English)' and 'Fund from the ABC organisation'. The 'provider-organization' field shows 'Organisation Identifier Code ref-980' and 'Name: Finelink'. A watermark 'Made with Tango.us' is visible in the bottom right.

7. Transaction List

You can view, edit and delete transactions from here. You can also add a new transaction using the +ADD TRANSACTION button

The screenshot shows the 'Transaction List' section of the iati PUBLISHER interface. At the top, there are language links (EN, FR, ES) and navigation tabs (ACTIVITY DATA, ORGANISATION DATA, SETTINGS, IMPORT ACTIVITY). A search bar and a '+ ADD TRANSACTION' button are also at the top. Below the header, the breadcrumb navigation shows 'Your Activities / This is an activity title / Transaction List'. The main content area displays a table with one row of data:

INTERNAL REF	TRANSACTION TYPE	TRANSACTION VALUE	TRANSACTION DATE	ACTION
ref-12312	Incoming Funds	1,000,000	a month ago	

8. Click on SHOW FULL TRANSACTION LIST

From the activity's summary page, you can go to the transaction list.

The screenshot shows the activity summary page. On the left, there is a sidebar with various icons for different data categories. The main content area includes sections for 'description' (completed), 'Objectives' (Afrikaans), 'FINANCIAL' (transactions completed), and 'Incoming Funds' (with an 'EDIT' link). A prominent orange-bordered button labeled 'SHOW FULL TRANSACTION LIST' is located in the FINANCIAL section. The bottom right corner of the page has a 'Made with Tango.us' watermark.

How to add a result in an activity?

1. Go to the activity you want to add result

The screenshot shows a web application interface titled "YOUR ACTIVITIES". At the top right is a help button labeled "(?) What is an activity?". Below the title is a section labeled "ACTIVITY TITLE" containing the text "This is another activity". Further down, there is a yellow box containing the text "This is an activity title", which is highlighted with a red border. To the right of this yellow box is another section labeled "This is an activity title". In the bottom right corner of the main content area, there is a small grey box with the text "Made with Tango.us".

2. Click on result

The screenshot shows a grid of icons representing different activity components. The icons are arranged in three rows. The first row contains "document-link" and "contact-info". The second row contains "location" and "planned-disbursement". The third row contains "participating-org" and "budget". Below these is a fourth row containing a single icon for "result", which is highlighted with a red border. A green circular button with a checkmark is positioned to the left of the "result" icon. To the right of the "result" icon is another icon for "transactions". In the bottom right corner of the main content area, there is a small grey box with the text "Made with Tango.us".

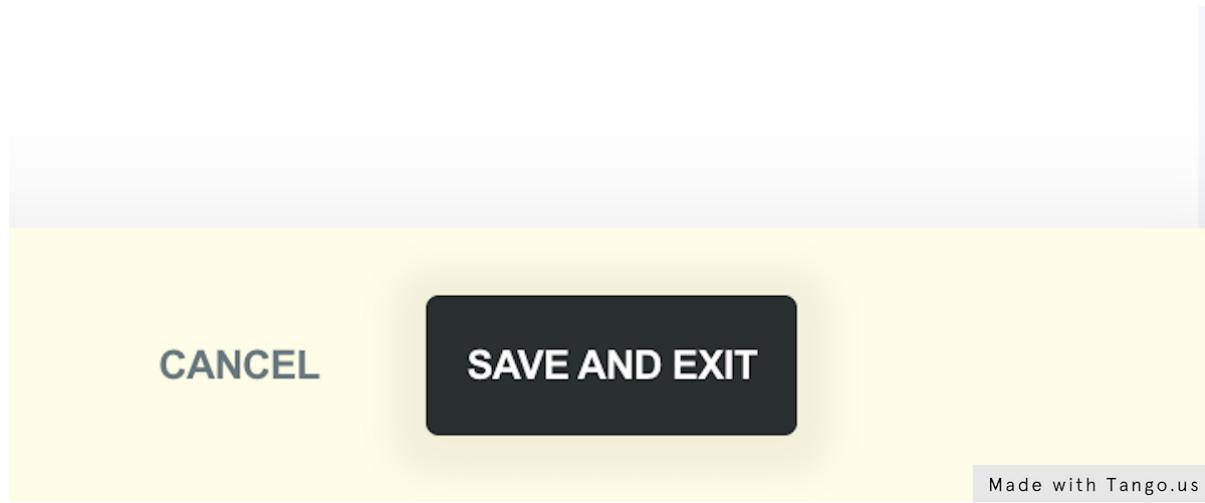

3. Complete the form

The screenshot shows a form completion interface. On the left, there's a sidebar with a 'Note' section and three categories: 'Core Elements' (indicated by an orange circle), 'Mandatory sub-elements' (indicated by a blue star), and 'Recommended sub-elements' (indicated by a purple circle). The main area has tabs at the top: 'title', 'description', 'document-link', and 'reference'. Below these tabs, there's a header with a shield icon labeled 'result' and 'Help'. To the right of the header, it says '* Mandatory fields'. The form fields include:

- Type:** 1 - Output
- Aggregation Status:** True
- Title:** (empty)
- Narrative:** This is the first result (highlighted with a red border)
- Language:** Select language
- Add More Title:** (+ ADD MORE TITLE)
- Description:** (empty)

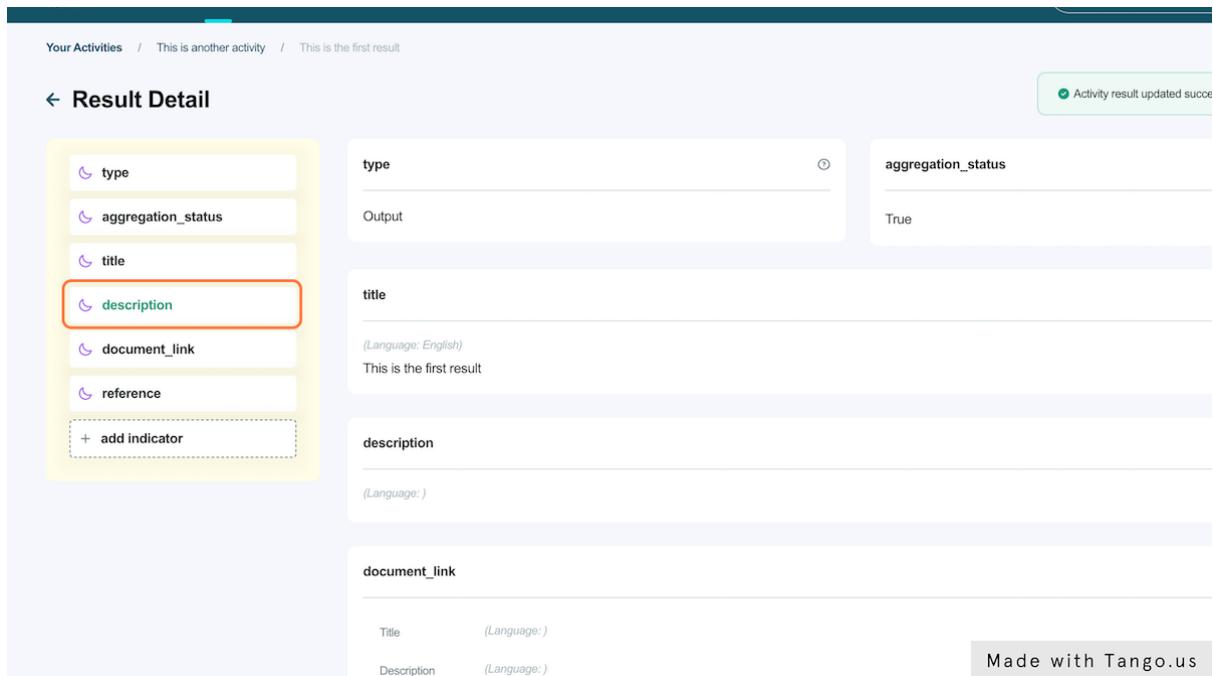

At the bottom right, there are 'CANCEL' and 'SAVE AND EXIT' buttons. A 'Made with Tango.us' watermark is visible.

4. Click on SAVE AND EXIT

5. Click on the menu to view the sub-elements

In the detail page of a result, click on the menu to view the sub-element details in the main page.

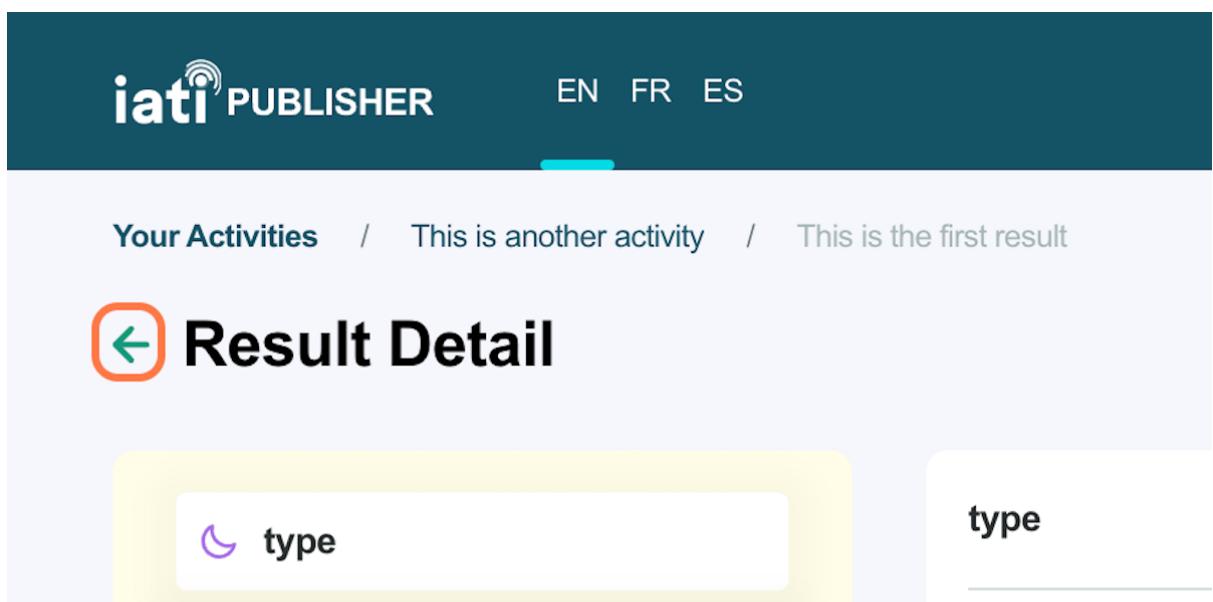

The screenshot shows a 'Result Detail' page. On the left, there is a sidebar with several items: 'type', 'aggregation_status', 'title', 'description' (which is highlighted with a red border), 'document_link', 'reference', and '+ add indicator'. The main content area displays the following fields:

- type**: Output
- aggregation_status**: True
- title**: This is the first result
- description**: (Language: English) This is the first result
- document_link**:
 - Title: (Language:)
 - Description: (Language:)

A green success message at the top right says 'Activity result updated successfully'.

6. Click on back button to go to the list of result

The screenshot shows the 'iati PUBLISHER' interface. At the top, there is a dark header with the 'iati PUBLISHER' logo and language links 'EN FR ES'. Below the header, the breadcrumb navigation shows 'Your Activities / This is another activity / This is the first result'. The main title is 'Result Detail', with a back arrow icon to its left. The 'type' field is highlighted with a yellow background. The right side of the screen shows the 'type' value: 'type'.

7. Click on ADD RESULT button to add more results

The screenshot shows a user interface for managing activity imports. At the top, there are tabs for 'ORGANISATION DATA', 'SETTINGS', and 'IMPORT ACTIVITY'. A search bar contains the placeholder 'Search activity...'. To the right of the search bar are two buttons: a '+' sign and a user icon with a dropdown arrow. Below this header is a table with three columns: 'RESULT TYPE', 'AGGREGATION STATUS', and 'ACTION'. The first row of the table shows 'Output' under 'RESULT TYPE', 'True' under 'AGGREGATION STATUS', and two icons under 'ACTION': a pencil and a trash can. The bottom right corner of the page has a 'Made with Tango.us' watermark.

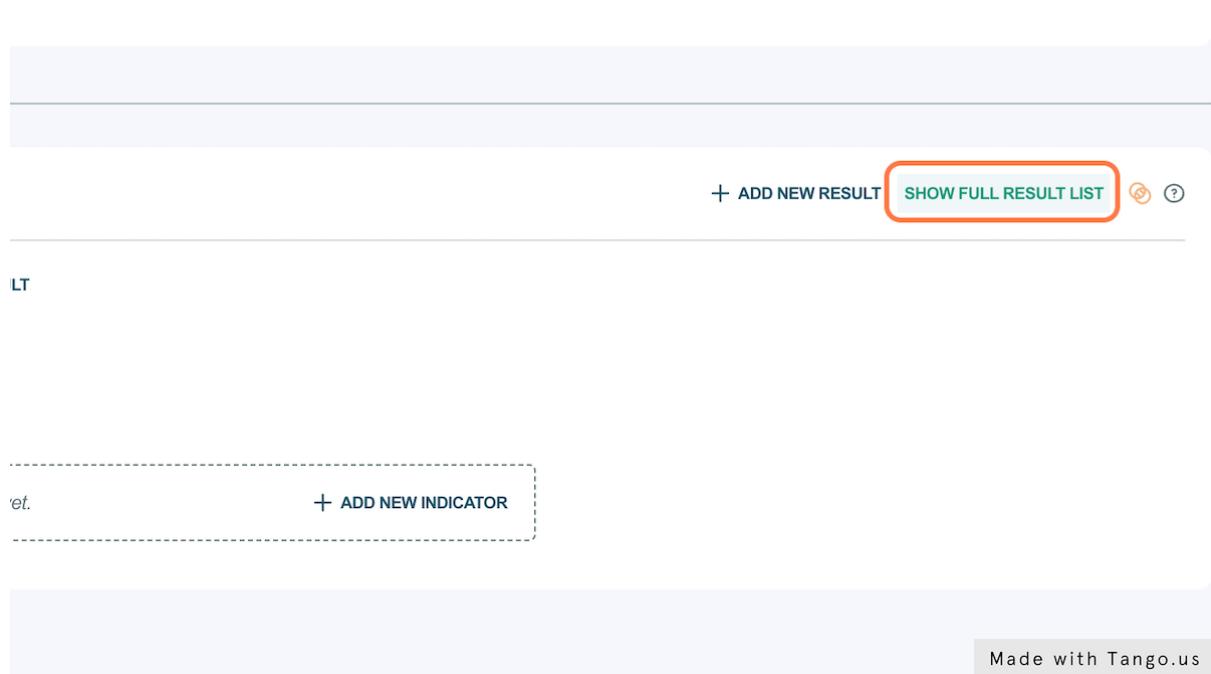

8. View result in activity summary page

Go to summary page the activity and click 'result' in the menu.

The screenshot shows a 'PERFORMANCE' summary page. In the top left, there is a 'result' card with the status 'not completed'. Below this, a section titled 'This is the first result' includes links to 'VIEW RESULT' and 'EDIT RESULT'. Underneath, there are details: 'Result Type: Output', 'Description: (Language: Not Available)', and 'Untitled'. A dashed box at the bottom contains the message 'You haven't added any indicator yet.' and a button '+ ADD NEW INDICATOR'.

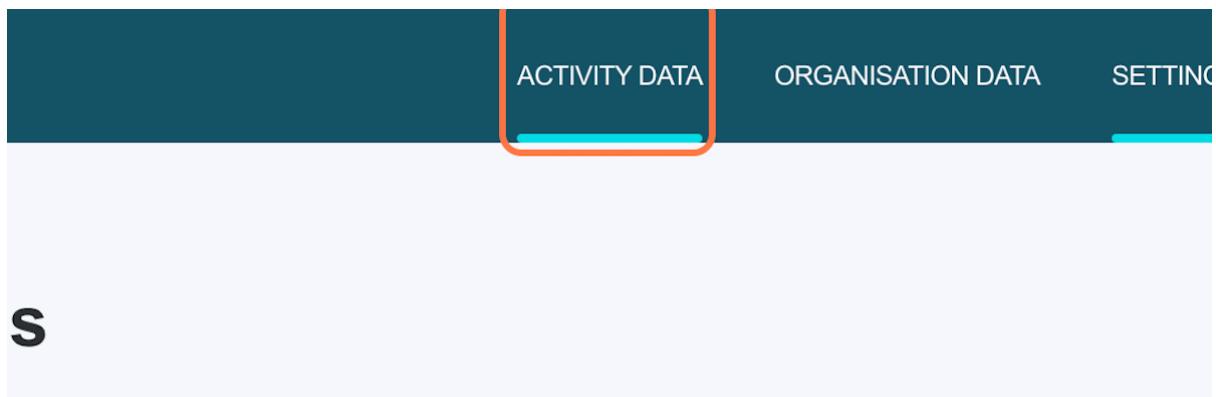

9. Go to result list or add new result

From summary page, you can go to result list or add new result in the activity

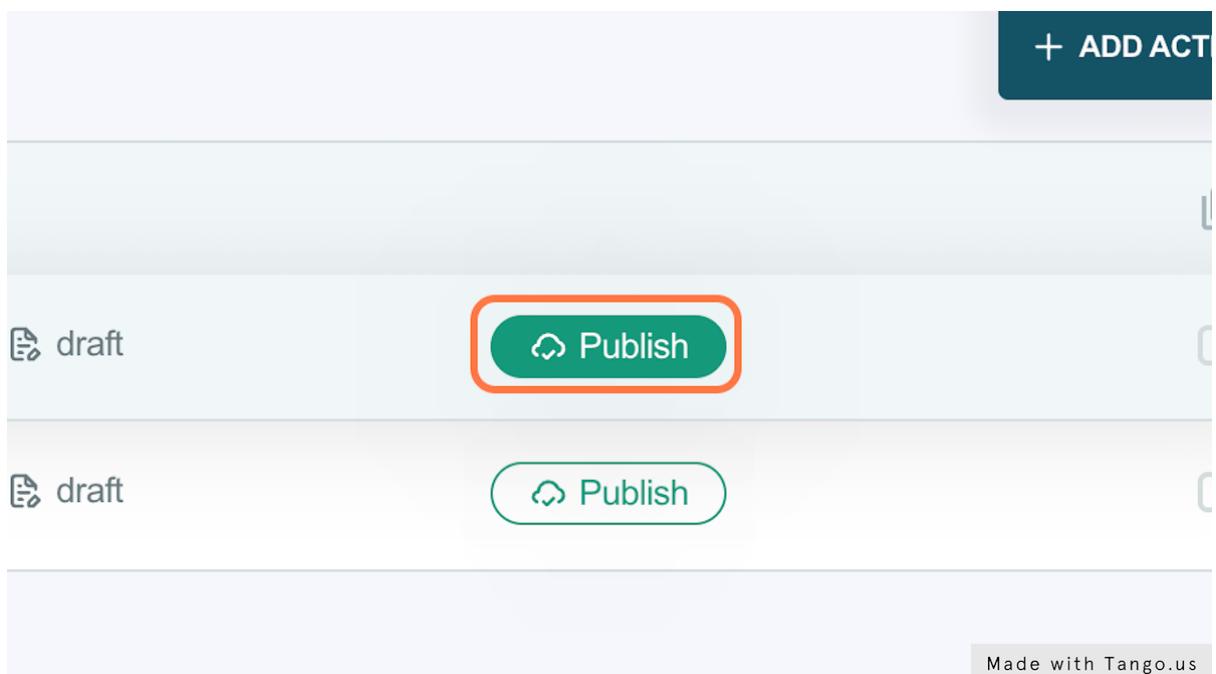

How to publish an activity?

1. Click on ACTIVITY DATA

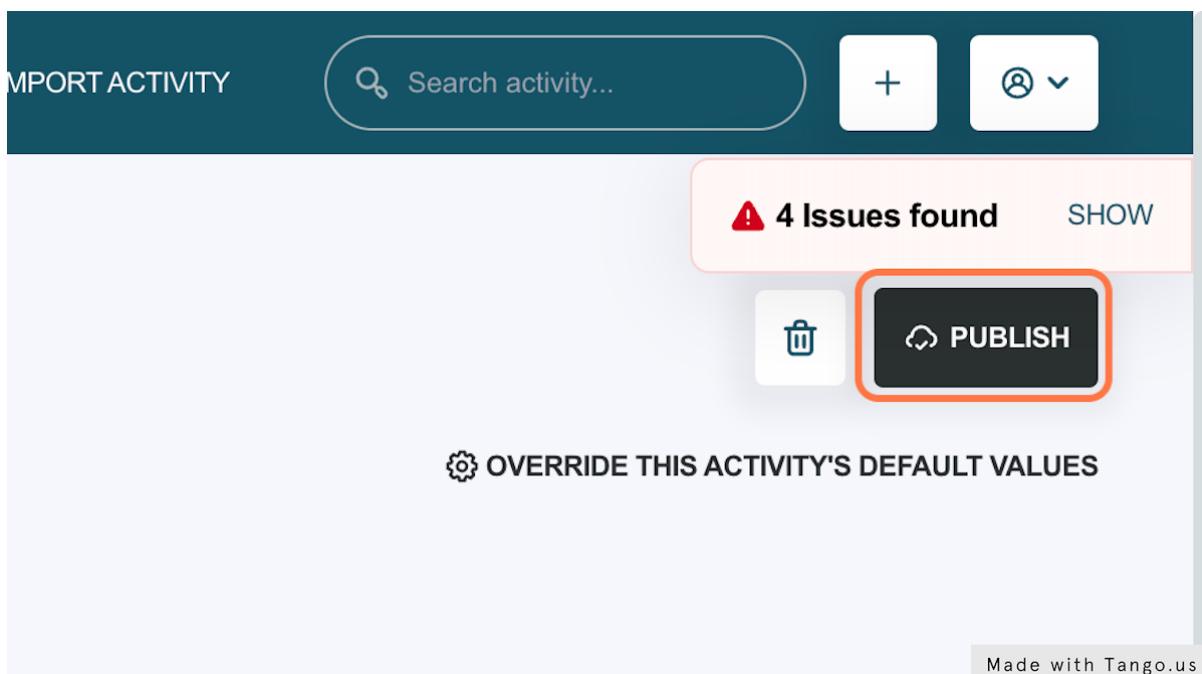

2. Click on Publish in activity list

You can initiate publishing an activity from the activity list by clicking on the Publish button.

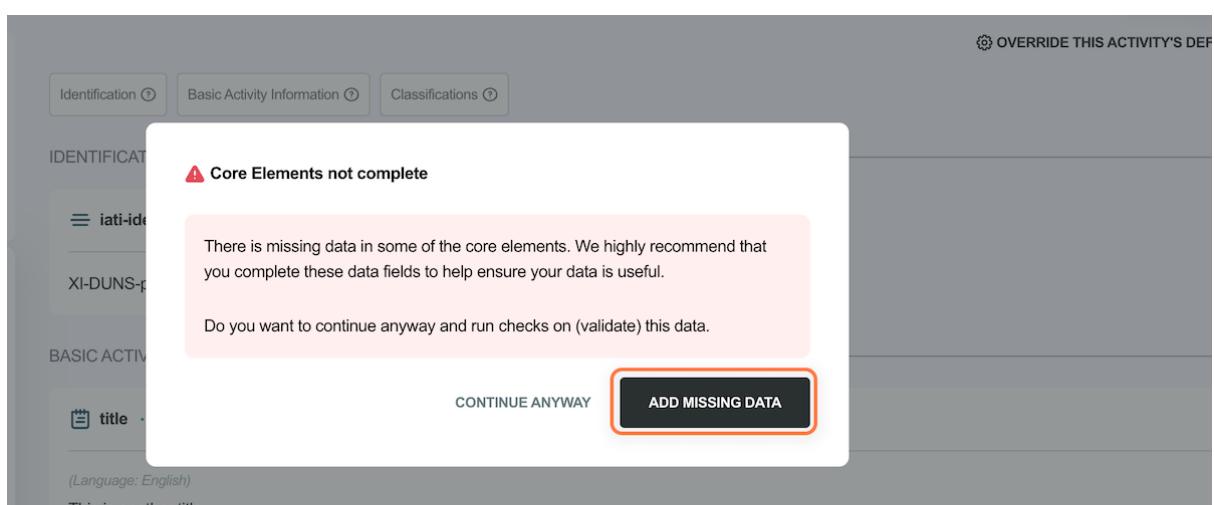

3. Click on PUBLISH within the activity

You can also initiate publishing the activity from the activity detail page

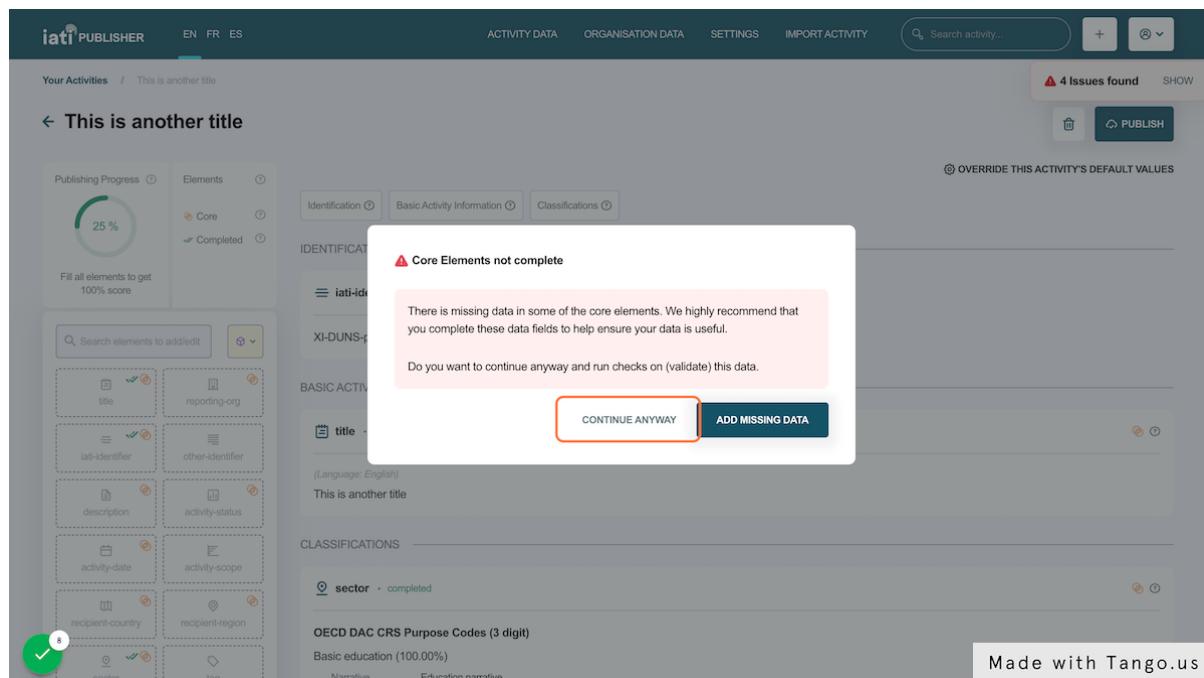

4. Click on ADD MISSING DATA

If core elements are not completed, you will be warned. You can go back and complete the missing data.

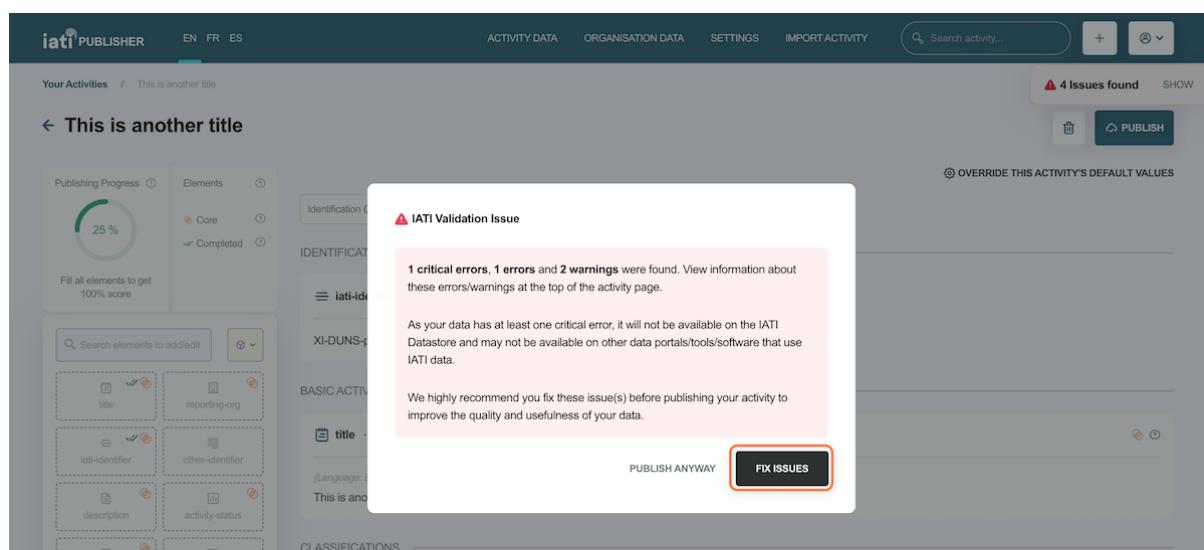

5. Click on CONTINUE ANYWAY

But you can continue publishing the activity

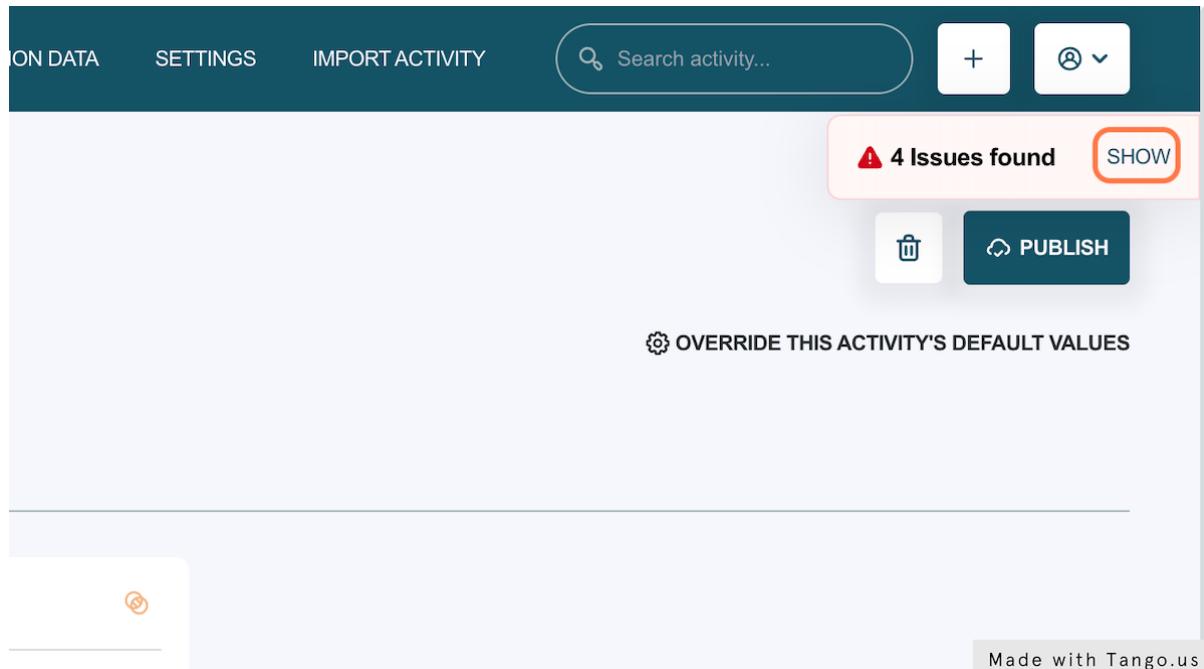

6. Click on FIX ISSUES

IATI Publisher will use IATI Validator to validate the data. If there are any errors, you will be warned. You can go back and fix those issues.

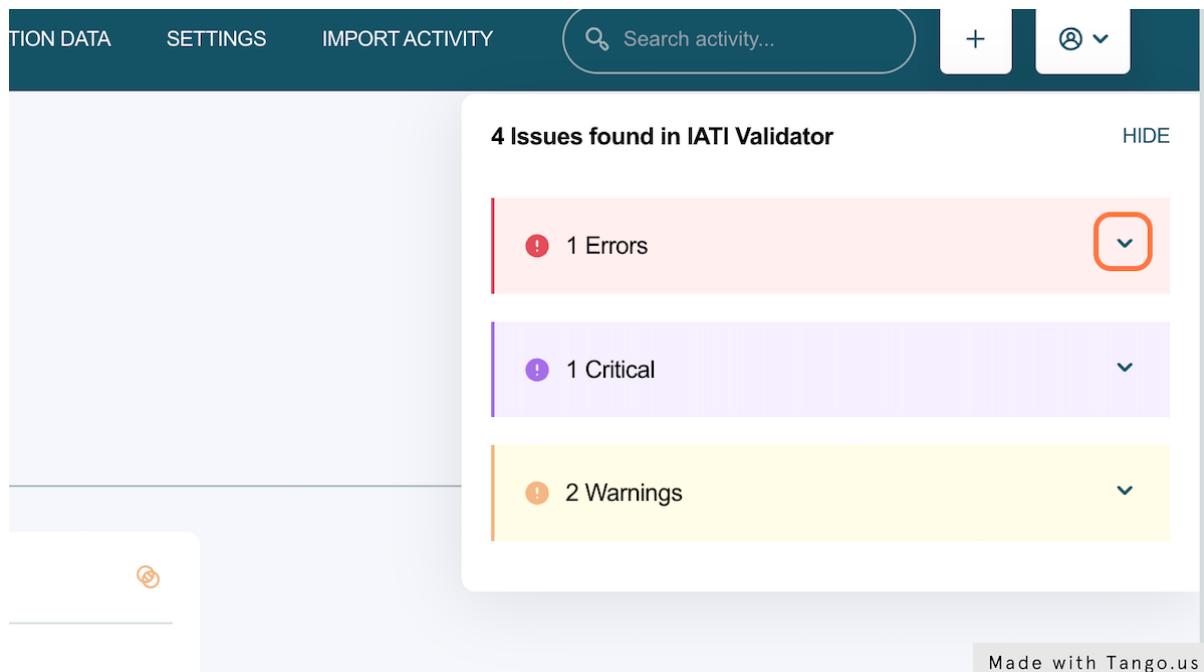

7. Click on SHOW

If you proceed to fix the issues, you will be taken to the activity and you can see the summary of the validation issues. Click on SHOW link to view the errors.

8. Expand to view the errors

9. Click on HIDE to collapse the errors summary

The screenshot shows the IATI Validator interface. At the top, there are navigation links: 'ON DATA', 'SETTINGS', and 'IMPORT ACTIVITY'. To the right is a search bar with the placeholder 'Search activity...'. Further right are a '+' button, a user icon, and a dropdown menu. Below the header, a message says '4 Issues found in IATI Validator' with a 'HIDE' button highlighted by a red box. The interface lists issues: '1 Errors' (red background), 'The activity must have a planned start date or an actual start date.'; '1 Critical' (purple background); and '2 Warnings' (yellow background). A small 'Made with Tango.us' logo is in the bottom right corner.

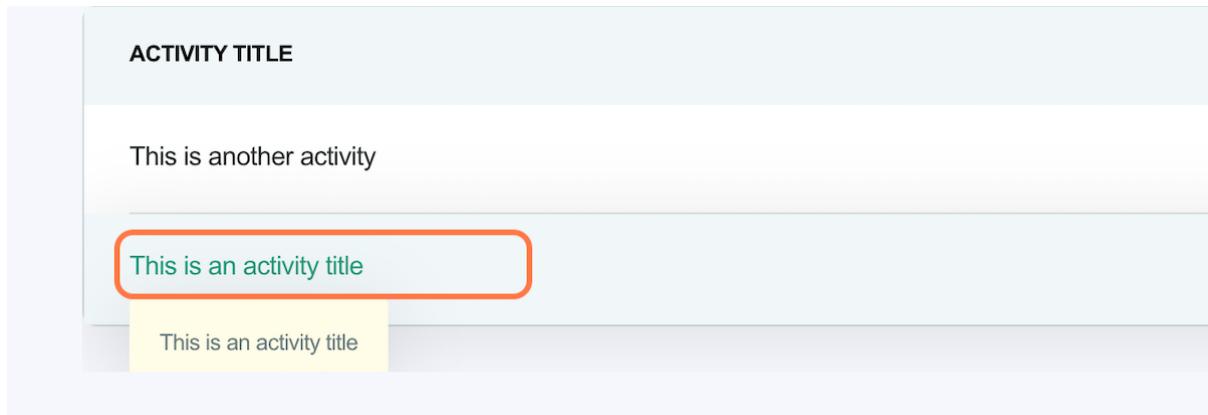

10. Click on PUBLISH ANYWAY

You can publish the activity anyway without fixing the errors

The screenshot shows a confirmation dialog box. It contains a message: 'You may not be available on other data portals/tools/software that do not support this feature. We highly recommend you fix these issue(s) before publishing your activity to improve the quality and usefulness of your data.' Below the message are two buttons: 'PUBLISH ANYWAY' (highlighted with a red border) and 'FIX ISSUES'.

How to edit a result?

1. Go to the activity you want to edit result

2. Edit result from activity summary page

Click on EDIT RESULT link in the summary page to edit the result or click SHOW FULL RESULT LIST to view the list of results

The screenshot shows an activity summary page. On the left, there is a sidebar with various icons and labels: recipient-country, recipient-region, selector, tag, policy-marker, collaboration-type, default-flow-type, default-finance-type, default-aid-type, default-tied-status, country-budget-items, humanitarian-scope, capital-spend, related-activity, conditions, legacy-data, document-link, contact-info, location, planned-disbursement, participating-org, budget, and result. The "result" icon has a green checkmark and a circled number "17" next to it. To the right, there are three main sections:
1. **budget**: Status completed. Original: 1,000 USD (Valued at November 2, 2022). Period Start: November 2, 2022. Period end: November 24, 2022. Status: Indicative.
2. **transactions**: Status completed. Incoming Funds: 100 ALL - valued at October 31, 2022. Buttons: + ADD TRANSACTION, SHOW FULL TRANSACTION LIST.
3. **result**: Status not completed. This is the first result. Buttons: + ADD NEW RESULT, SHOW FULL RESULT LIST. Description: Result Type: Output, Language: Not Available, Untitled. Note: You haven't added any indicator yet. Buttons: + ADD NEW INDICATOR.
At the bottom right, it says "Made with Tangelo.us".

3. Or edit result from the result list

Click the edit button of the result you want to edit.

The screenshot shows the 'Result List' page in the iati PUBLISHER application. At the top, there is a navigation bar with links for 'ACTIVITY DATA', 'ORGANISATION DATA', 'SETTINGS', 'IMPORT ACTIVITY', and a search bar. Below the navigation bar, the URL path is 'Your Activities / This is another activity / Result List'. On the right side of the header, there is a button labeled '+ ADD RESULT' with a plus sign icon. The main content area is titled 'Result List' and contains a table with one row. The table has columns for 'TITLE', 'RESULT TYPE', 'AGGREGATION STATUS', and 'ACTION'. The first row shows 'This is the first result' under 'TITLE', 'Output' under 'RESULT TYPE', 'True' under 'AGGREGATION STATUS', and edit (pencil) and delete (trash) icons under 'ACTION'.

4. Or edit result from result detail page

Click EDIT RESULT link to edit the result

The screenshot shows the 'Result Detail' page in the iati PUBLISHER application. At the top, there is a navigation bar with links for 'ACTIVITY DATA', 'ORGANISATION DATA', 'SETTINGS', 'IMPORT ACTIVITY', and a search bar. Below the navigation bar, the URL path is 'Your Activities / This is another activity / This is the first result'. On the right side of the header, there is a button labeled 'EDIT RESULT' with a pencil icon. The main content area is titled 'Result Detail' and contains a form with several fields. On the left, there is a sidebar with a list of indicators: 'type', 'aggregation_status', 'title', 'description', 'document_link', and 'reference', each preceded by a small icon. Below this list is a button labeled '+ add indicator'. The main form fields include: 'type' (set to 'Output'), 'aggregation_status' (set to 'True'), 'title' (with placeholder '(Language: English)' and value 'This is the first result'), 'description' (with placeholder '(Language:)' and value ''), and 'document_link' (which is currently empty). At the bottom left, there is a green circular icon with a checkmark and the number '11'. At the bottom right, there is a 'Made with Tangelo.us' watermark.

How to delete a result?

1. Click on SHOW FULL RESULT LIST

The screenshot shows a 'PERFORMANCE' page for an activity. At the top, it says '100 ALL - valued at October 31, 2022'. Below this, there's a section for a 'result' entry, which is described as 'not completed'. The 'Result Type' is 'Output'. The 'Description' field contains '(Language: Missing)' and 'Untitled'. A large 'Indicator' section follows, containing two entries: 'Indicator 1' and 'Indicator 2'. Both indicators show 'Value: Missing, Date: Missing' and a message 'You haven't added any period yet.' In the top right corner of the main content area, there are buttons for '+ ADD NEW RESULT' and 'SHOW FULL RESULT LIST', with the latter being highlighted by a red rectangle. At the bottom right of the page, there's a 'Made with Tango.us' watermark.

2. Click on the delete icon of the result you want to delete

The screenshot shows the 'Result List' page in the IATI Publisher. At the top, there's a navigation bar with 'iatipublisher' logo, language links ('EN FR ES'), and tabs for 'ACTIVITY DATA', 'ORGANISATION DATA', 'SETTINGS', 'IMPORT ACTIVITY', and a search bar. Below the navigation, the URL 'Your Activities / This is another activity / Result List' is visible. The main content area is titled 'Result List' and contains a table with two rows of results. The first row, 'This is another result to be deleted', has 'RESULT TYPE' as 'Missing', 'AGGREGATION STATUS' as 'Missing', and 'ACTION' buttons for edit and delete, with the delete button highlighted by a red rectangle. The second row, 'This is the first result', has 'RESULT TYPE' as 'Output', 'AGGREGATION STATUS' as 'True', and 'ACTION' buttons for edit and delete. At the bottom of the page, there's a footer with the 'iatipublisher' logo, links to 'IATI Publisher' and 'IATI Standard', and a 'Part of the IATI Unified Platform' note. There's also a 'ANY QUESTIONS? CONTACT SUPPORT' link and an email address 'PubToolTest@iatistandard.org'. A 'Made with Tango.us' watermark is at the bottom right.

3. Click on DELETE button

The screenshot shows a table of results with columns for RESULT TYPE and AGGREGATION STATUS. A modal dialog box is overlaid on the table, containing a delete confirmation message and a highlighted 'DELETE' button.

RESULT TYPE	AGGREGATION STATUS

How to add an indicator in a result?

1. Go to the activity and click on result

The screenshot shows the 'Guarantees/insurance' section of an activity. On the left, there's a sidebar with various icons and labels: capital-spend, related-activity, conditions, legacy-data, document-link, contact-info, location, planned-disbursement, participating-org, budget, and transactions. The 'result' icon is highlighted with an orange box and a green checkmark icon. To the right, there are sections for 'default-aid-type' (completed), 'OECD DAC' (Sector budget support), 'FINANCIAL' (budget completed), and 'Original' (1,000 USD Valued at November 2, 2022). The 'Period start' is November 2, 2022, and 'Period end' is November 24, 2022.

2. Click on ADD NEW INDICATOR in the result summary

The screenshot shows the 'ICE' section of a result summary. It includes a note about being valued at October 31, 2022, and a status indicator 'not completed'. Below this, there's a 'first result' section with 'VIEW RESULT' and 'EDIT RESULT' links. The result details show 'Output' and '(Language: Missing)' under 'Untitled'. A message at the bottom says 'You haven't added any indicator yet.' with a '+ ADD NEW INDICATOR' button. At the bottom right, it says 'Made with Tango.us'.

3. Or click on add indicator button in result detail page's menu

3. Or go to the Indicator List and click on edit button

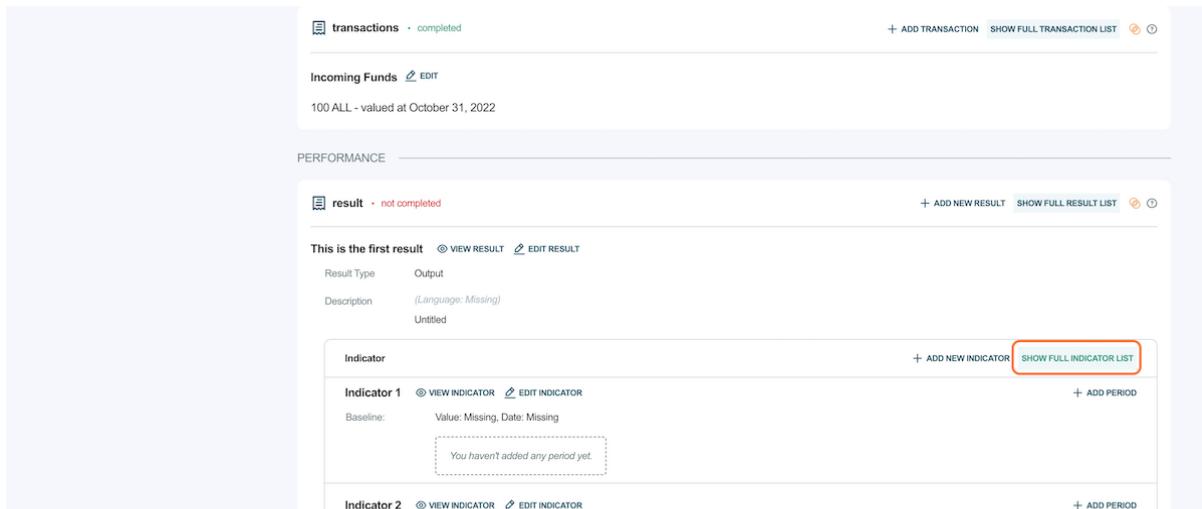

The screenshot shows the IATI Publisher interface. At the top, there is a navigation bar with links for PUBLISHER, EN, FR, ES, ACTIVITY DATA (which is highlighted in blue), ORGANISATION DATA, SETTINGS, IMPORT ACTIVITY, a search bar, and user icons. Below the navigation is a breadcrumb trail: Your Activities / This is another activity / This is the first result / Indicator List. On the right side of the header is a '+ ADD INDICATOR' button. The main content area is titled 'Indicator List'. It contains a table with two rows of data:

TITLE	MEASURE	AGGREGATION STATUS	ACTION
Indicator 2	Missing	True	
Indicator 1	Percentage	True	

At the bottom of the page, there is a footer with the IATI logo, links to IATI Publisher (Dashboard, About), IATI Standard (Standard, Publishing Checklist, Support), and contact information (Part of the IATI Unified Platform, Code licensed under the GNU AGPL, Documentation licensed under CC BY 3.0, ANY QUESTIONS? CONTACT SUPPORT, PubToolTest@iatistandard.org). There is also a copyright notice (© Copyright IATI 2022. All rights reserved.) and a 'Made with Tangelo.us' link.

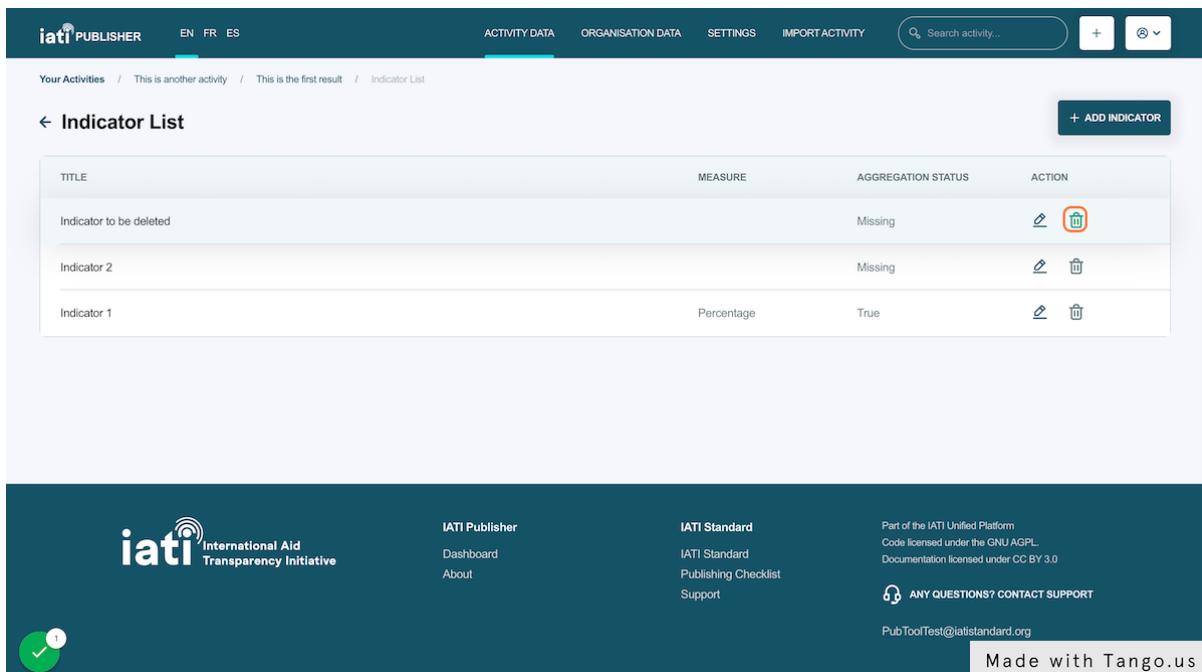

How to delete an indicator?

1. Click on SHOW FULL INDICATOR LIST

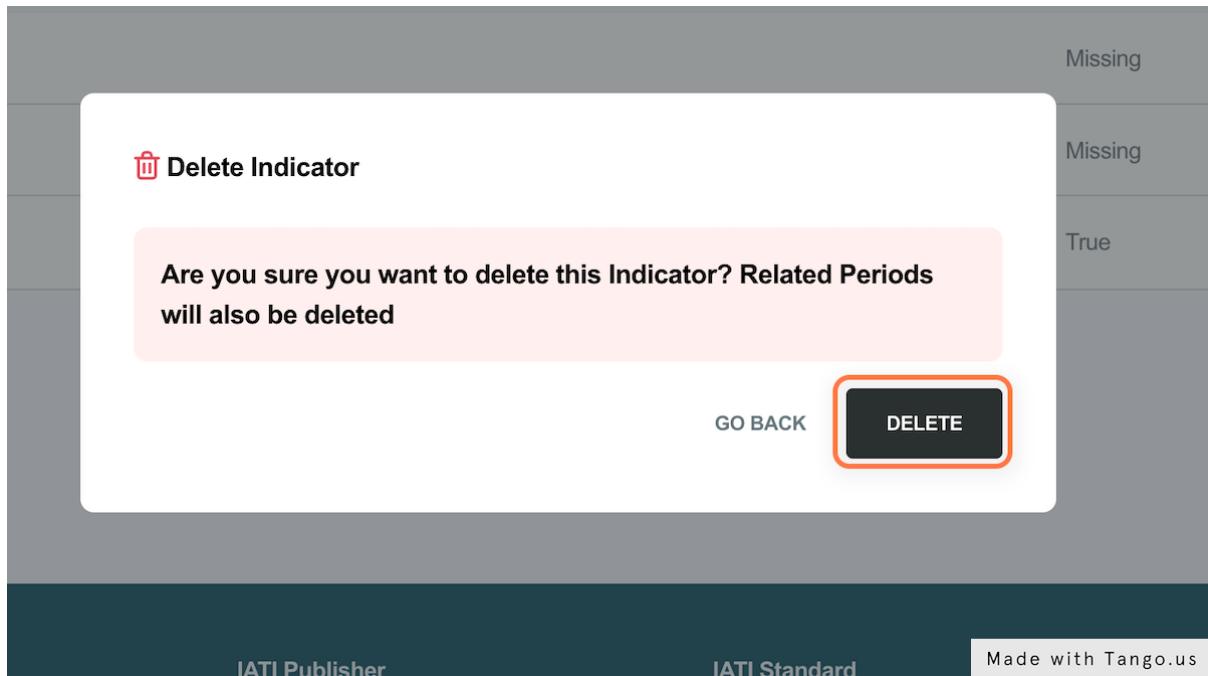

The screenshot shows the IATI Publisher interface for managing transaction results. At the top, there's a 'transactions' section with a 'completed' status. Below it is a 'PERFORMANCE' section with a 'result' entry labeled 'not completed'. This result has a 'VIEW RESULT' and 'EDIT RESULT' link. Underneath is an 'Indicator' section. The first indicator is 'Indicator 1', which has a 'VIEW INDICATOR' and 'EDIT INDICATOR' link. To the right of 'Indicator 1' is a button labeled 'SHOW FULL INDICATOR LIST', which is highlighted with a red box. Below 'Indicator 1' is another indicator entry for 'Indicator 2' with similar links and a 'SHOW FULL INDICATOR LIST' button.

2. Click on the delete icon

The screenshot shows the 'Indicator List' page in the IATI Publisher. At the top, there's a navigation bar with links for 'Your Activities', 'ACTIVITY DATA', 'ORGANISATION DATA', 'SETTINGS', 'IMPORT ACTIVITY', and a search bar. Below the navigation is a header for the 'Indicator List' with a back arrow and a '+ ADD INDICATOR' button. The main area is a table with columns for 'TITLE', 'MEASURE', 'AGGREGATION STATUS', and 'ACTION'. There are three rows in the table: 'Indicator to be deleted' (Measure: Missing, Status: Missing), 'Indicator 2' (Measure: Missing, Status: Missing), and 'Indicator 1' (Measure: Percentage, Status: True). Each row has a 'VIEW INDICATOR' and 'EDIT INDICATOR' link, and a delete icon (a trash can with a red border) in the 'ACTION' column. The bottom of the page features the IATI logo, links to 'IATI Publisher' and 'IATI Standard', and a footer with contact information and a 'Made with Tango.us' note.

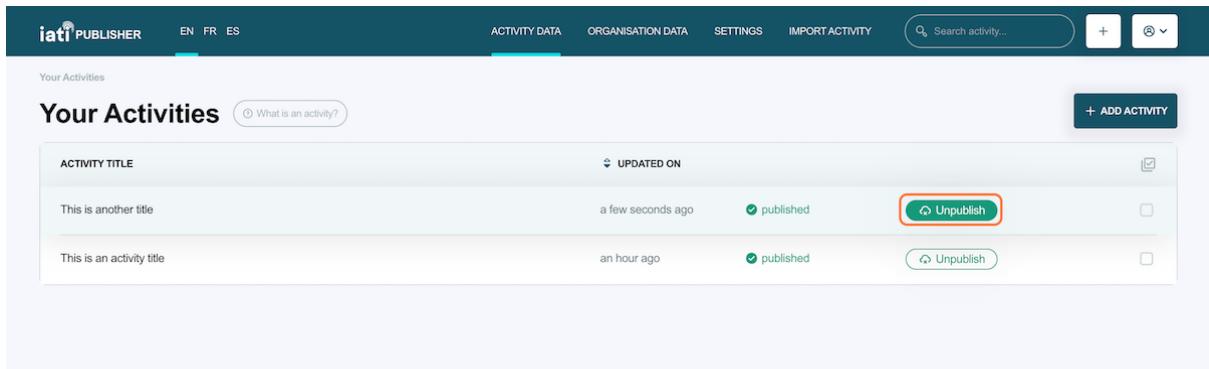

3. Click on DELETE button

How to unpublish an activity?

1. Click on Unpublish

You can initiate unpublishing an activity from the activity list.

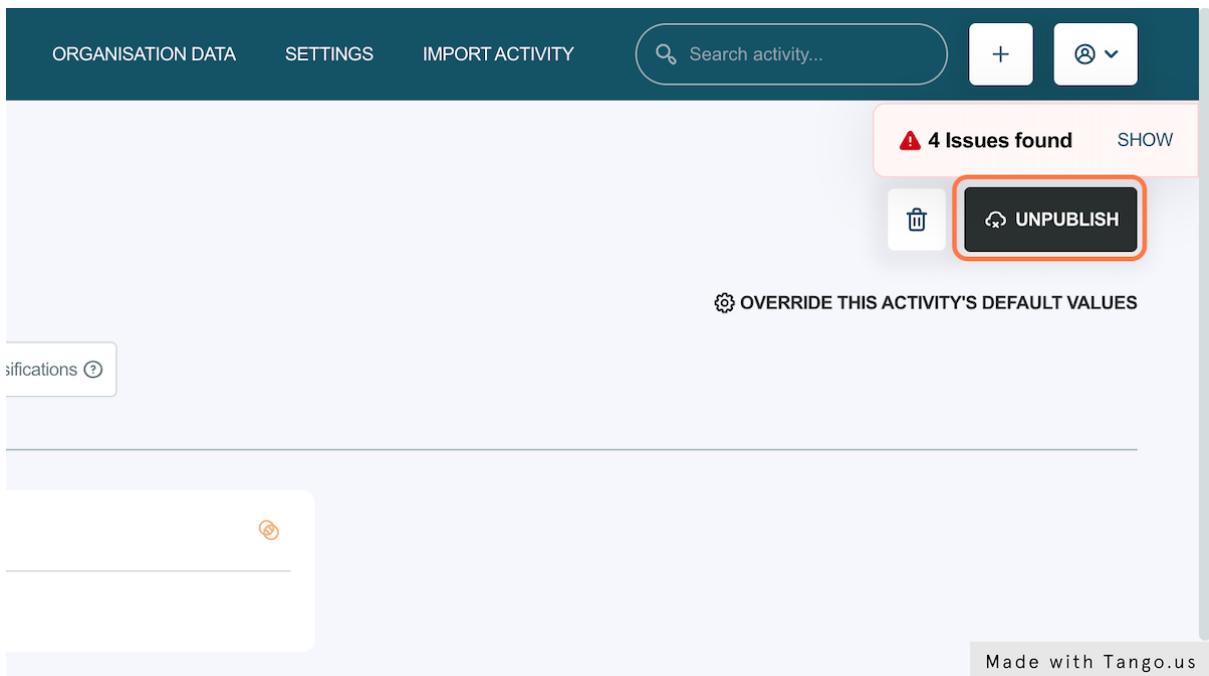

The screenshot shows the 'Your Activities' page in the iati PUBLISHER application. At the top, there are language selection buttons (EN, FR, ES) and navigation tabs: ACTIVITY DATA (which is active), ORGANISATION DATA, SETTINGS, and IMPORT ACTIVITY. There is also a search bar ('Search activity...') and a '+' button. Below the tabs, a sub-header 'Your Activities' and a placeholder 'What is an activity?' are visible. A large blue button '+ ADD ACTIVITY' is on the right. The main area displays two activity entries in a table:

ACTIVITY TITLE	UPDATED ON	PUBLISH STATUS	UNPUBLISH ACTION
This is another title	a few seconds ago	published	<button>Unpublish</button>
This is an activity title	an hour ago	published	<button>Unpublish</button>

The 'Unpublish' button for the first activity is highlighted with a red box.

2. Click on UNPUBLISH

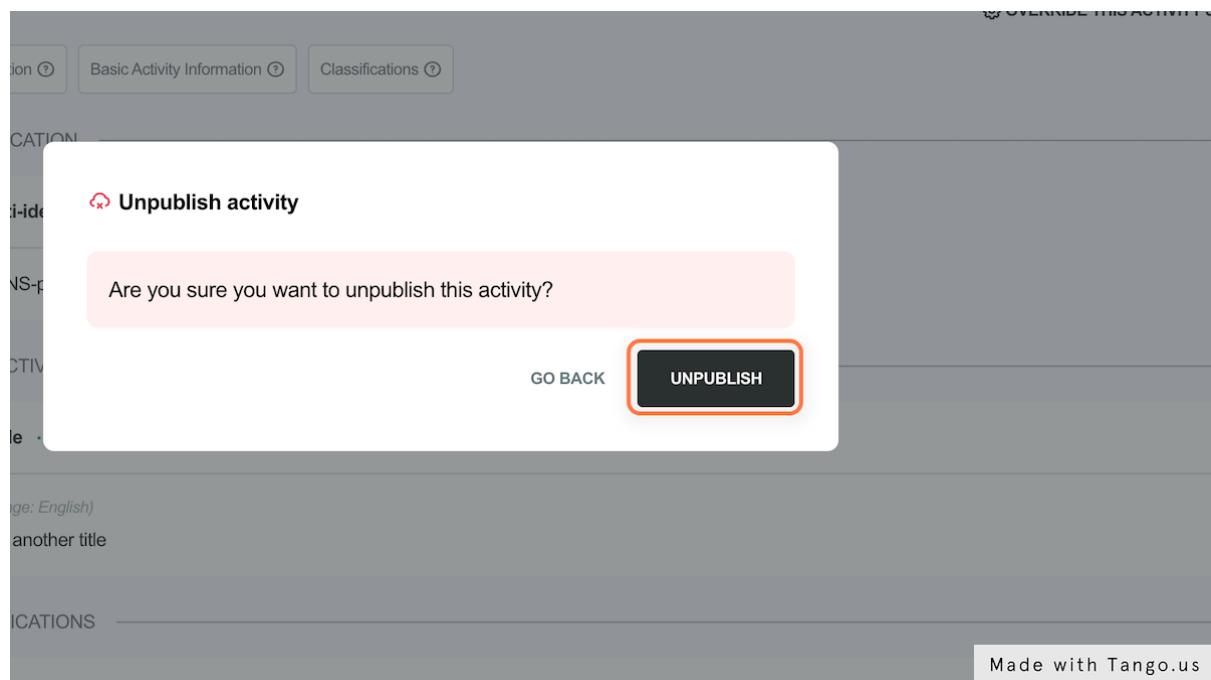

Or you can initiate unpublishing an activity from activity detail page

The screenshot shows the detail view of an activity in the iati PUBLISHER application. The top navigation bar includes buttons for ORGANISATION DATA, SETTINGS, IMPORT ACTIVITY, a search bar ('Search activity...'), and a '+' button. A red alert box at the top right says '⚠ 4 Issues found' with a 'SHOW' link. Below the alert, there is a large 'UNPUBLISH' button, which is highlighted with a red box. A note below the button says ' OVERRIDE THIS ACTIVITY'S DEFAULT VALUES'. In the bottom right corner, there is a 'Made with Tangelo.us' watermark.

3. Click on UNPUBLISH

Click on UNPUBLISH to complete the unpublishing of activity

How to delete an activity?

1. Go to activity detail page

The screenshot shows the 'Your Activities' section of the iati PUBLISHER interface. At the top, there are language links (EN, FR, ES) and navigation tabs: ACTIVITY DATA (which is active), ORGANISATION DATA, SETTINGS, and IMPORT ACTIVITY. A search bar is also present. Below the tabs, a sub-header 'Your Activities' is followed by a help link '(i) What is an activity?'. The main area displays two activity entries:

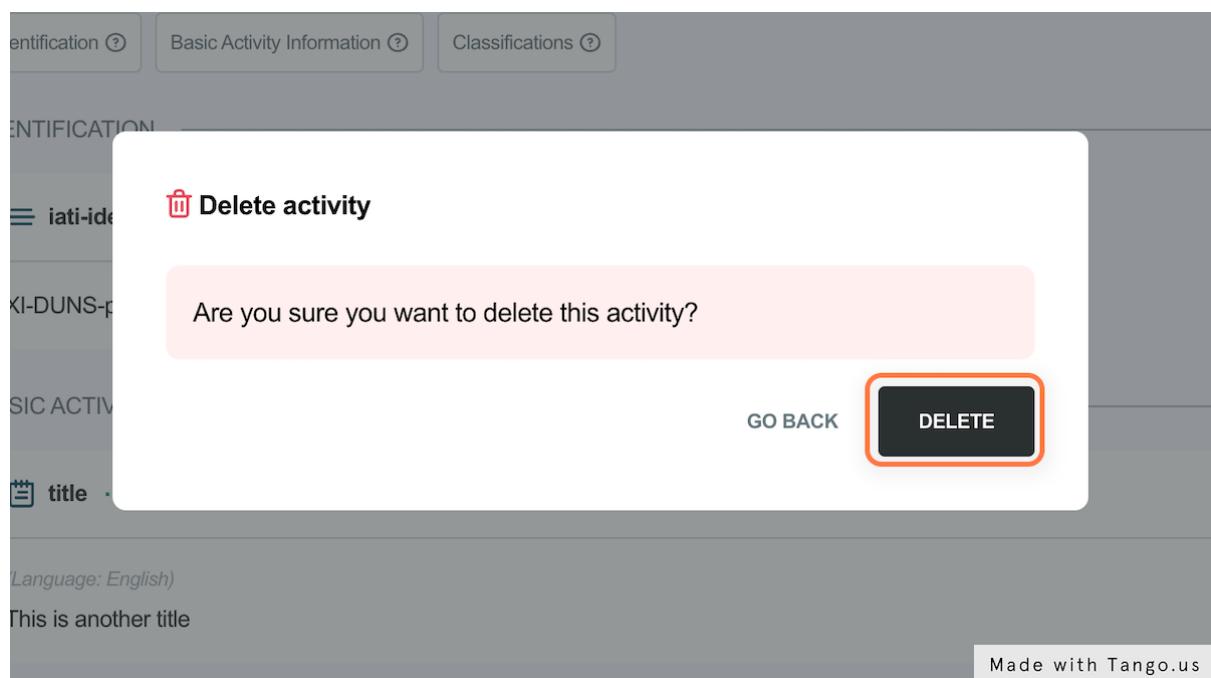

ACTIVITY TITLE	UPDATED ON	STATUS	ACTION
This is another title	an hour ago	draft	Publish
This is another title	a minute ago	draft	Publish

In the bottom right corner of the screenshot, there is a 'Made with Tango.us' watermark.

2. Click on delete icon

The screenshot shows the 'IMPORT ACTIVITY' section of the iati PUBLISHER interface. It features a search bar ('Search activity...') and two buttons: a '+' button and a user dropdown. Below these, there are two large buttons: a red-bordered 'DELETE' button with a trash icon and a 'PUBLISH' button with a circular arrow icon. A warning message 'Override this activity's default values' is displayed above the buttons. In the bottom right corner of the screenshot, there is a 'Made with Tango.us' watermark.

3. Click on DELETE

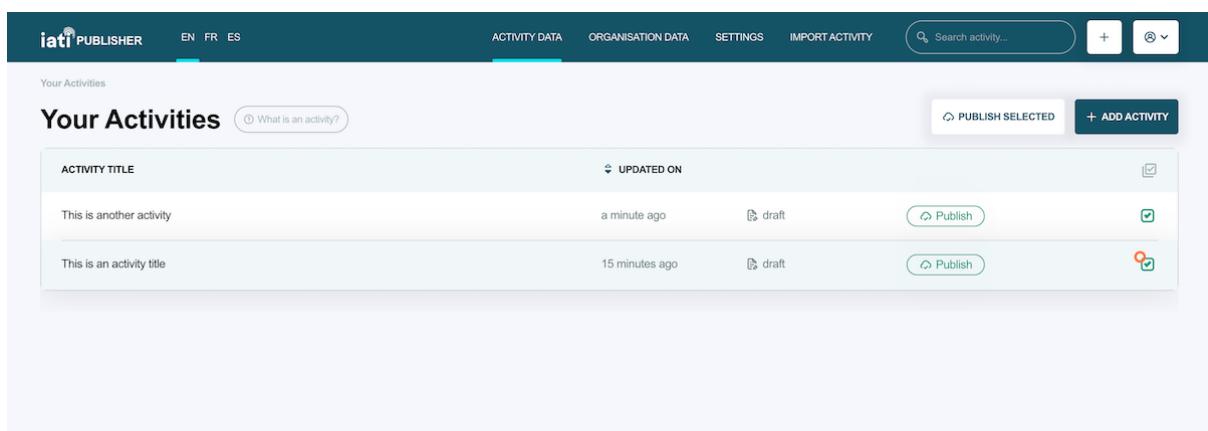

How to bulk publish activities?

1. Go to activity listing page

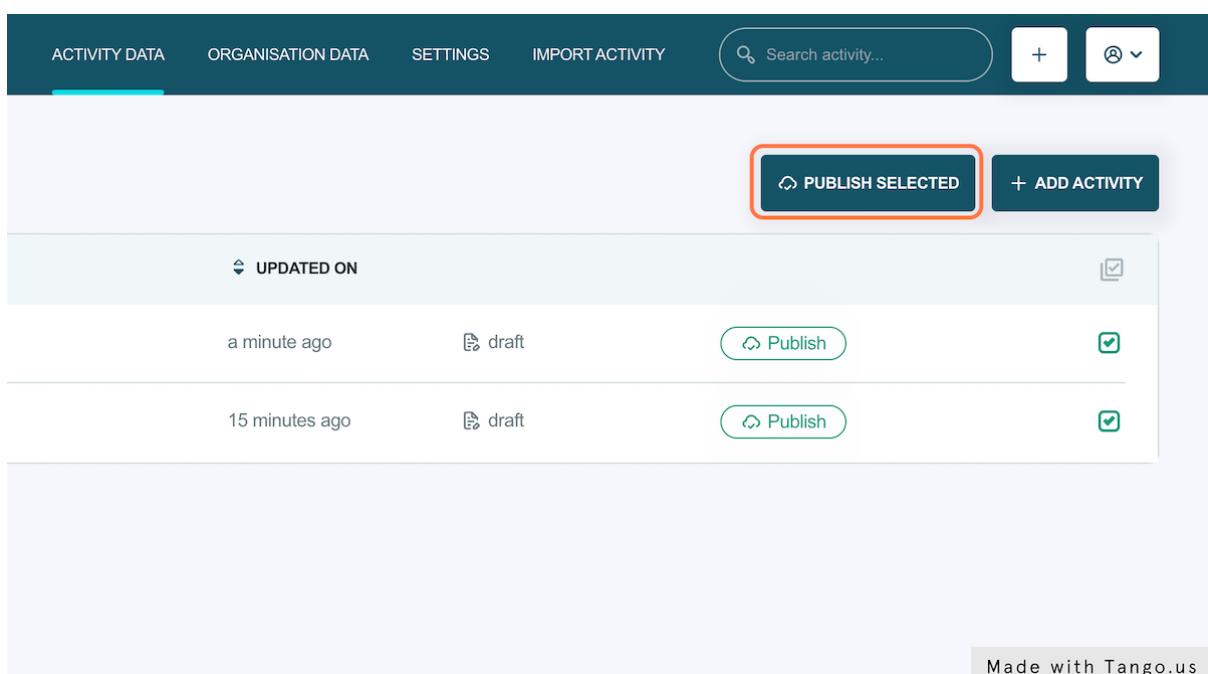

2. Select the checkboxes of the activities to be published

You can also select already published activities but it will continue with the unpublished activities and activity to be republished.

ACTIVITY TITLE	UPDATED ON	
This is another activity	a minute ago	<input type="checkbox"/> draft <button>Publish</button>
This is an activity title	15 minutes ago	<input type="checkbox"/> draft <button>Publish</button>

3. Click on PUBLISH SELECTED

10. Click the activity title in Your Activities

Look for the new activity uploaded in the tool and click it to view the details of the activity.

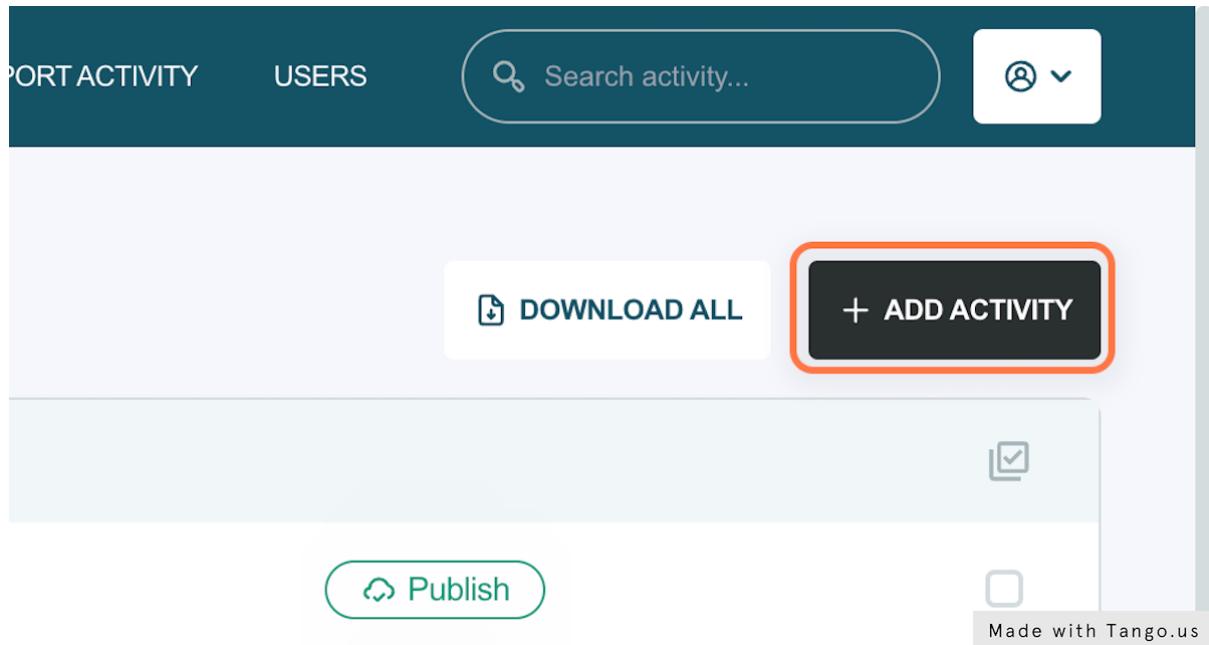

A screenshot of the 'Your Activities' page in the iati PUBLISHER interface. At the top, there is a navigation bar with the 'iatipublisher' logo, 'ACTIVITY DATA' (which is active, indicated by a blue underline), 'ORGANISATION DATA', 'SETTINGS', 'ADD / IMPORT ACTIVITY', and a 'USER' tab. Below the navigation bar, the page title 'Your Activities' is displayed, along with a search bar containing the placeholder text '(?) What is an activity?'. A green success message box on the right says 'Imported data successfully'. The main content area shows a table of activities. The first activity in the list, 'hello world', has its title cell highlighted with an orange border. The table columns are 'ACTIVITY TITLE', 'UPDATED ON', and status indicators ('draft' or 'published'). The status indicator for 'hello world' is 'draft'. Other activities listed include 'test123456', 'test 123', 'This is activity dos', 'This is activity uno', and 'This is an activity title'. The status for 'test 123' is 'published'. The status for 'This is activity uno' is 'draft'. The status for 'This is an activity title' is 'draft'. In the bottom right corner of the activity list area, there is a grey box with the text 'Made with Tango.us'.

11. Activity detail page of newly added activity

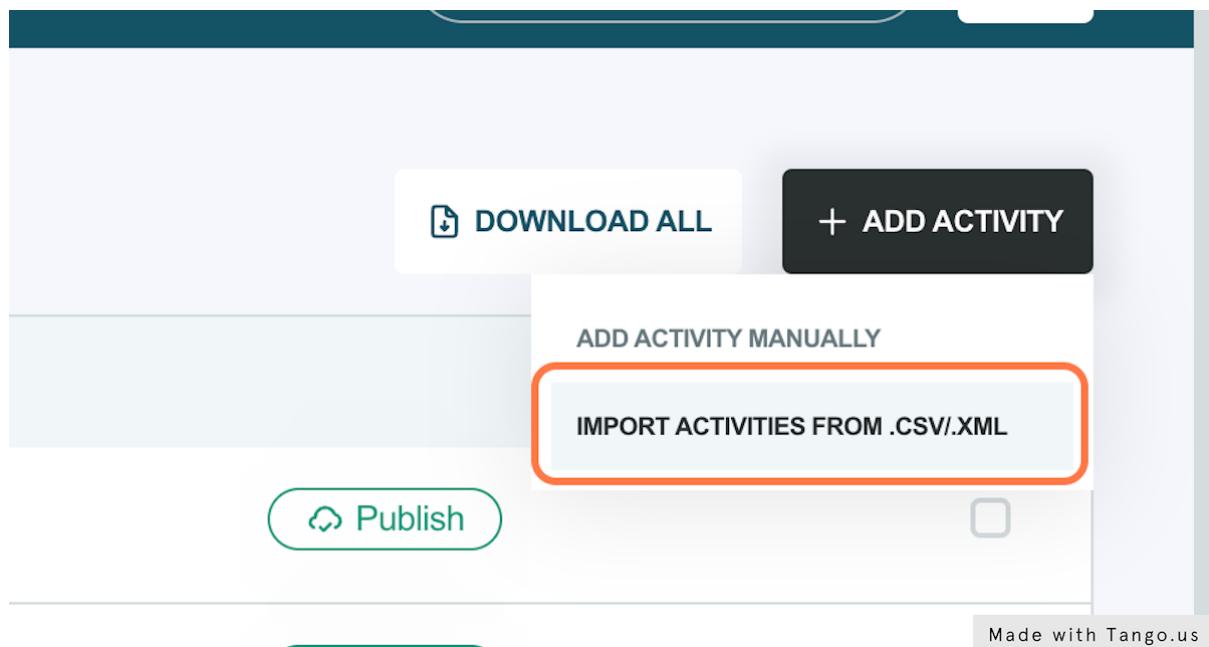

The screenshot shows the iati PUBLISHER software interface. At the top, there is a navigation bar with links for ACTIVITY DATA, ORGANISATION DATA, SETTINGS, ADD / IMPORT ACTIVITY, and USERS. A search bar and a user dropdown are also present. Below the navigation bar, the page title is "Your Activities / hello world". On the left, there is a sidebar titled "Publishing Progress" showing a green circle at 100% completion with the text "Complete all core elements to get 100% score". Next to it is a "Elements" section with a "Core" status and a "Completed" status. A large button labeled "PUBLISH" is located in the top right corner. Below the sidebar, there is a row of tabs: Identification, Basic Activity Information, Participating Organizations, Geopolitical Information, Classifications, Humanitarian, and Financial. Under the Identification tab, there is a sub-section titled "IDENTIFICATION" containing a table with rows for "iat-identifier" (status completed), "reporting-org" (status completed), and "International NGO" (status completed). The "International NGO" row includes fields for Reference (1234567), Secondary Reporter (True), and Narrative (Language: Avestan, narrative). A note at the bottom right says "Made with Tango.us".
